

DYNADAN.

NOW LET US ALL GIVE THANKS AND KNEEL  
DOWN

KAY and DYNADAN.

A KING HAS COME TO CLAIM HIS CROWN

KAY, DYNADAN and DAGONET.

NOW LET US ALL REJOICE AND LET US SING  
THE SWORD HAS SHOWN US OUR RIGHTFUL KING

GREEN KNIGHT.

THE SWORD HAS SHOWN ME THE RIGHTFUL  
KING *(He kneels, like the others.)*

MORGAN *(spoken)*. You have won, Merlin...for now. Here  
is your worthless book. *(It drops into his hands.)* But you  
and I will meet again! *(Exits.)*

GREEN KNIGHT. Farewell, young king. I do not think we  
will meet again.

ARTHUR. Why not?

GREEN KNIGHT. I was Morgan Le Fay's champion. For  
this you will banish me.

ARTHUR. No. I need you here. With us. You must join my  
Round Table.

KAY. And who will sit at the head of this table?

ARTHUR. What do you think, Dynadan?

DYNADAN. Well, it seems to me that with a round table,  
everyone sits at the head.

ARTHUR. Correct!

DAGONET. Behold the sword. Surely here is the mightiest  
weapon of all.

ARTHUR. No, *here* is the mightiest weapon of all.

**(MUSIC #13A: "LONG LIVE KING ARTHUR")**

*(With his non-sword hand, ARTHUR grasps the hands of the FOUR KNIGHTS, and lifts them together in the center of a circle.)*

GREEN KNIGHT. Long live King Arthur, and his Knights of the Round Table!

KNIGHTS. Long live King Arthur!

KAY. Now let us go and tell the people that England has a king. *(They disperse.)*

MERLIN. Well done, Arthur!

**(MUSIC #14: "FINALE")**

MERLIN. I believe I have your crown right here...*(Feels in his hat, but only finds carrots.)* Hmm...well, anyway, well done! *(Hands him the bunch of carrots.)* And Sara, thank you for coming to help teach my favorite pupil.

SARA. But I've been wondering, Merlin: why did you pick us, out of all the people in the future?

MERLIN. Arthur had a lesson to learn, but you also needed to learn about how leaders bring people together, for someday one of you will lead your country.

ARTHUR. As king?

MERLIN. No, as president.

MATT. President, huh? Well, I always figured I was destined for greatness.

MERLIN. I was not speaking of you, Matt. Farewell, Sara.

SARA. Goodbye, Merlin.

ARTHUR. I wish I had something to give you. Um, do you like carrots?

SARA. Love them.
